SAT 24 NOVEMBER ~ LAYING UP SUPPER ~ 1930							
SUN 25 NOVEMBER ~ ANNUAL GENERAL MEETING ~ 1400							
The Club Championship consists of the Warm Up (W) Mid Season (M) and Late Season (L) Points Series only.							
The Frostbite Series (F) is a separate event for the more hardy or is that foolhardy!							
We hope that the new Evening Club sailing sessions will provide an informal chance for Cruisers, Dinghies and kyaks to get afloat together.							
Please note where there is only one person on the rota it is that persons responsibility to make sure they have a helper on hand.							
For major events then further members duties will be set out on a supplementary rota.							
If you are unable to undertake your duty then it is your responsibility to arrange a competent substitute.							
Training will be provided for all race officials if required, please attend so that you are fully aware of club procedures.							
As can be seen further volunteers are still required both to fill the rota particularly at Coppet Week and the other main events.							
If you are able to help then please contact Graham Wellman Tel: 01994448346 and remember that it is these events that keep the club going financially.
