

NOTES FOR COMPLETION OF MEMBERSHIP FORM 2007

- ◆ This form is for all categories of Annual Membership of Saundersfoot Sailing Club, these categories were amended at the 2005 Annual General Meeting, when the categories of family and joint membership were reintroduced. Please ensure that all members of the family or both joint member details are entered on the forms.
- ◆ Please complete the whole of the form even if you are just renewing your membership, as we need to keep the records updated to assist us in the day to day running of the Club. Once complete then please return to the Membership Secretary at Saundersfoot Sailing Club, The Harbour, Saundersfoot, Pembrokeshire, SA69 9HE.
- ◆ Annual membership expires on December 31st of each year and fees are due at that time for the following year. For those members joining after September 30th then the initial membership will run until December 31st in the following year.
- ◆ Full Membership is open to all persons over the age of 18 on January 1st in the current year.
Joint membership is open to couples at a reduced fee.
Family membership includes couples who are Full Members and their children under 18
Junior Membership is open to children aged 5 to 18.
Student Membership is open to those aged 18 to 22 who are in full time education.
Social Membership is open only to members who do not use the Clubs sailing facilities.
For clarification of these categories see current Club Rules which are displayed in the Clubhouse.
- ◆ Only Full Members are entitled to a vote at a General Meeting of the Club.
- ◆ It is important that we have the correct details of your boats, particularly if you require a space in the dinghy or tender park. You may be aware that these spaces are currently in great demand and priority will be given to those members who actively use their boats throughout the season and only one space will be allocated to each active dinghy helm. Spaces will be allocated on an annual basis prior to the start of each racing season and members should keep to their allocated space. Should you need a space for a short period only, during the summer, then please let us know when that is and we will try and accommodate you. We regret that we are no longer able to make spaces available for those boats that are not actively used throughout the season; the space available to us is too valuable to be used as cheap and convenient long term boat storage.
- ◆ The SHC Slipway Fee is payable only by dinghy sailors who rent spaces in the Club dinghy park and is payable for every dinghy in the park. It represents the dues levied by the Harbour Commission for the use of its facilities and is collected on their behalf by the Club.
- ◆ Each application for New Membership must be supported by a Proposer and Secunder, each of whom must be Full Members of the Club. Applications submitted without these signatures or the appropriate fee will not be accepted. Each application for new membership must be approved by the General Committee, which may refuse to admit the application without stating any reason. If membership is refused or a dinghy park space withheld then the appropriate fee will be refunded.
- ◆ The Club is operated entirely on a voluntary basis and all members benefit from the facilities provided, not least the reduced fees and bargain bar prices. Volunteers are always appreciated and there are spaces on the form where you can offer assistance in various ways. If you require some training or would like to undertake a duty in an assisting capacity then this can be arranged.
- ◆ A copy of the Club Rules and list of members is available for inspection in the Clubhouse.
- ◆ Under the Data Protection Act please note that the details supplied will be held on computer files, but used for Sailing Club management purposes only and will not be disclosed to any third party.
